Dear Senator Cornyn:

I write to thank you for your courage in proposing the Fairness in Bankruptcy Litigation Act of 2005. This legislation will not only provide protection for all parties to large, public company bankruptcies, it will also protect honest bankruptcy judges from the pressures arising from the necessity to compete for cases. My research suggests that by ending the necessity for the courts to compete for cases, this legislation will result in better reorganizations, the preservation of jobs, and higher returns to creditors and shareholders.

This is a difficult issue to present to the public, because it is both obscure and complex. Please be assured that I and many others appalled by the competition will do whatever we can to assist you.

Yours truly

Lynn M. LoPucki
